B. Adding Family Members

1: Sign into your account and click the drop down box that lists your "Last Name's" family.

2: Click on "Add Family Member"

3: Enter all required information for your family member. You may input your own email and phone number again if your family member does not have a phone or email address.

4: Your family members list should look something like this once completed.

Yeti's family 

 Add family member
